Supporting the Soldier

Break-Out Session Deliverables

Break-Out Session Questions (1 of 5)

(1)What can be done to further assist the Soldier/Family Member?

- Permissive TDY should be granted prior to Soldier arrival to unit and Sol should find quarters prior to arrival
- Tiger Team Web-Site will assist Commands and Soldiers “Access” suppor systems
- Focus on before redeployment activities – accepting forms and not fillin them out again

Break-Out Session Questions (2 of 5)

(2) Is the Soldier/Family Member cared for during their tour at Fort

- Overall, the Soldier is cared for during his/her tour and agencies are very responsive to Soldier needs
- Web-Site access will assist process

Break-Out Session Questions (3 of 5)

(3) Where are areas we can improve on for the Soldier/ Family Mem

- Mandate the Soldier to brief his/her family members upon completion in-processing
- Ensure PTDY is granted to Soldier with a family prior to arrival to unit

Break-Out Session Questions (4 of 5)

(4) What extra or excluded steps are not covered that must be ad

- Before re-deployment activities was not included, as Soldier has d time to complete forms and SRP questionnaires

Break-Out Session Questions (5 of 5)

(5) Are all the flow diagram steps actually happening?

- The role of the FRG is more of a “information guide” or support netwo
- Attendance at FRGs is not mandatory

Flowchart for Soldier Integration and Interaction with Fort Carson

Soldier receives Orders to PCS to Fort Carson

This flowchart does not attempt to capture everything a Soldier undergoes during his/her tour at Fort Carson. It is a facilitation tool for break-out sessions.

Pinpoint Assignment?

No → Soldier can receive Info by mail or on-line

Yes → Soldier may be assigned a sponsor to assist in transition

PTDY for House Hunting and Quarters

Unit S-1s are informed
Units are informed by S-1

Soldier coordinates PCS and transportation from present duty

Soldier reports to Welcome Ctr for in-processing

Soldier will receive pinpoint Assignment from the PSB if he/she does not already have a designated assignment

***Chart Information**:*
This chart attempts to facilitate discussion as to where supports services intervene in the process of integration to the post. There may be exceptions as with every case. More importantly is the ability to recognize how the Soldier can access support services along the process, or from arrival to departure from Fort Carson.

Soldier In-processes installation and goes through SRP Site – then reports to unit

This is the initial interaction piece for support services. Soldier receives classes and must fill-in questionnaires from each agency. ACS, Chap, and MEDDAC have a chance to interview Soldier

Mandate Soldier to Brief Family

Married?

No → Soldier moves-into barracks room and his/her squad leader assist to integrate
